Dear Parents/ Caregiver,

My name is Jordan Puckridge, I am the new Specialist Music Teacher at Plympton Primary School. I am a French Horn player by night and a teacher by day. I enjoy playing in musicals and in Orchestras around Adelaide. I am looking forward to a fantastic year with new opportunities in music available to your child.

As a part of the classroom music program for 2015, students in Years 2 & 3 will learn recorder each week. We will be combining theory and practical elements with the goal of performing and building responsibility, independent learning, team work and confidence within your child.

Sheet music for performance pieces will be sent home for students to practise for their performances during the year. We encourage you to support your student with Recorder practice at home. Extra practice will allow your child to engage into deeper learning allowing them to produce beautiful music.

Students are required to have an individual Recorder of their own to bring each week to their lessons. This is the most hygienic way to learn recorder with 3 classes participating.

I look forward in working with your child on our music adventure. Any enquiries please don’t hesitate to come and talk.

Yours Musically,
Ms Jordan Puckridge
Music Specialist Teacher
(Mon, Tues, Fri)

### Options of obtaining a recorder:

<table>
<thead>
<tr>
<th>Buy - $8.40 Through the School (discounted from music stores)</th>
<th>Loan a Recorder</th>
<th>Other options</th>
</tr>
</thead>
<tbody>
<tr>
<td>Yamaha Recorder (Good Sound)</td>
<td>Much like a book you can loan a recorder from the library for the year. Same rules of borrowing applies to the recorder, If broken or lost you will be required to replace it.</td>
<td>You may like to find a recorder through other Stores (eg. Kmart, Big W) These recorders will be adequate; please do so. However I would prefer students to have the same brand and quality to ensure positive outcomes.</td>
</tr>
</tbody>
</table>
