January 2015

Dear Parents and Caregivers,

As you may have heard we are going to be using a reward system in class called 'Class Dojo'. This is another fun way to reward and motivate children for their learning and contributions to our community of learners in room 13.2.

As this is an online system you will be able to keep track of how your child is doing by logging on from home. To do this you will receive a student code and a parent code with this note giving you details of how to access your child's points.

I hope that you will find this useful, any queries do not hesitate to contact us.

Kind Regards

Lynn Johnson & Margie Barylak
