Dear Parents and Caregivers,

Welcome to the 2015 school year. This year there are two year 6/7 classes, with Rose McCarthy-Jones in 2.1 and Lauren Ireland in 2.2 who will be working collaboratively throughout the year.

We are looking forward to a productive partnership between teachers, parents and students to ensure the children can achieve their highest potential. In order to do this, we ask you to support your child's learning by ensuring he/she:

- Arrives on time to school each day, ready to learn
- Completes all homework set by their class teacher
- Shares their school experiences with you so that you are aware of his/her school life and upcoming events.

We thank you for your support in these areas and look forward to working closely with you.

Rose McCarthy-Jones and Lauren Ireland

Year 6/7 teachers

---

**Home Learning and diaries**

Each fortnight, students will bring home their home learning grids to be completed and handed up on alternate Fridays.

Our program covers a diverse range of tasks to help students achieve a well-rounded home learning experience.

Your assistance signing diaries and home learning grids each week will be greatly appreciated.

**Acquaintance Night**

Acquaintance night will be held for year 6/7 classes on Thursday of Week 3 in rooms 2.1 and 2.2. This will be an opportunity to meet with your child's class teacher and learn about the specific curriculum objectives for 2015. A note will be sent home with further details.

**USBs**

All students will need to bring to school a labelled USB for use with school computers.

**Tissues**

Please supply 1 box of tissues to your child for class use.
