27th March, 2015

Girls Knockout Football

Dear Parents/Caregivers,

Your daughter has expressed an interest in playing in the year 6/7 Girls SAPSASA Knockout Football team.

Our first trial game is in week 11 on Tuesday 7th April from 3:30pm – 4:30pm. The actual competition will start around week 3 next term. To assist the those girls interested I would like to provide them with some additional training by holding a training session every Monday (starting 30th March) after school from 3:15-4:00pm. Students will also have an opportunity to train at lunchtimes as well.

This will enable us to have the experience necessary to compete effectively and safety in the knockout competition.

Can you please ensure that your child brings some old clothing to wear at training so that their school uniforms don’t get damaged.

Students are also encouraged to wear old sneakers or, football boots if they have them but, they are not needed to play. Mouthguards are optional but recommended.

As this is an after school activity parental permission is required. Can you please complete the consent form below and return it to Mr. Worden.

Regards,

Anthony Worden
Specialist Sports Teacher
Plympton Primary School

SAPSASA Girls Football Training

I give permission for my child.................................................... to be involved in the SAPSASA girls Football team and to attend training sessions after school.

I acknowledge that I will either collect my child after school or, I give permission for my child to walk home.
